Teresa, voluntaria de una ONG, acude a la casa de Mariana para dictaminar si es apta para acoger uno de sus amparados. La entrevista se complica aún más cuando llega Pedro, el marido de Mariana y descubriremos que nada es lo que parece en este juego del gato y el ratón.

Teresa, volunteer in an NGO, goes to Mariana´s house to determine whether she´s eligible to foster one of their refugees, but the interview takes an awkward turn when Mariana´s husband, Pedro, arrives. We will discover that nothing is what it looks like in this game of cat and mouse.
