Un apasionante viaje a lo largo de los dos siglos de historia de uno de los templos más representativos de la música y las artes escénicas del mundo. El documental recorre algunos de sus más destacados episodios históricos, descubre la minuciosa labor profesional y artesanal que hay detrás de cada producción y revela las grandiosas instalaciones y espacios que guarda en su interior este emblemático espacio artístico. Con la participación de grandes figuras de la ópera e imágenes de archivo inéditas.

A passionate journey through the two centuries of history of one of the most representative temples to music and performing arts in the world. The documentary covers some of its most notable historic episodes, revealing the meticulous professional and artistic labour behind each production, as well as showcasing the grandiose facilities and spaces secreted away inside this iconic theatre. With the participation of great personas from opera and unpublished images from the archives.
