Fuertes tormentas asolan un inhóspito lugar en el que un extraño personaje, armado y preparado para la guerra, va olvidando su condición de soldado mientras sufre una extraña metamorfosis que le sumerge en la exploración de un mundo para el que no está preparado.

Strong storms ravage an inhospitable place in which a strange character, armed and prepared for war, is forgetting his status as a soldier while suffering a strange metamorphosis that immerses him in the exploration of a world for which he is not prepared.
