En los años sesenta las factorías abandonadas del Soho de Nueva York fueron ocupadas por artistas de todo el mundo. Este documental muestra imágenes excepcionales de archivo: Charlotte Moorman, Yoko Ono, Nam June Paik, Lou Reed y la Velvet Underground, Andy Warhol, Mekas, Davidovich, Soho cable TV, George Maciunas y Laurie Anderson. Un grupo de artistas, los Karamazoffs, y pioneros de aquella época, como Jonas Mekas y Jaime Davidovich, rememoran aquel ambiente fantástico en los años sesenta, setenta y ochenta.

In the 1960s, the abandoned factories of New York's SoHo were occupied by artists from around the world, transforming this neighbourhood in the heartland of art experimentation. A group of artists, The Karamazoffs, and pioneers from that era, like Jonas Mekas and Jaime Davidovich, recall that colourful atmosphere through the 1960s, 70s and 80s, armed with exceptional vintage footage.
