Pese a que ahora Laura, una hippie de 70 años, vive en una residencia de ancianos, en su momento fue una musa del rock de los setenta más conocida como Laurie Amnesia que hizo soñar al mismísimo Jimi Hendrix. De ser la rockera más moderna de la época, ahora es una mujer que revoluciona el asilo en el que se encuentra. Su pasado es un secreto hasta que aparece Juan el único residente que la reconoce y que fue fan de ella, quien la empujará a un nuevo proyecto musical.

Laura is a legendary Spanish rock singer who now lives in an elderly people's home. Out of the blue, she receives the visit of an unknown grandson, Jaime, who asks her to teach him how to be a rock musician. She decides to help him and writes a song for him to use in a rock band contest. But in order to participate they would need to make up a band and Laura had pulled out a long time ago.
