Una joven corre junto a un amigo por un solitario parque. Aunque no están solos: un artefacto dirigido por control remoto los vigila desde el aire. El aparato no tardará en asesinar vilmente al chico, sin dejar rastro del crimen

A young woman is running through a lonely park with a friend. But they are not alone: there is a remote-controlled device watching over them from the air. The device does not take long to hideously murder the boy, leaving no trace of the crime.
