Mientras el pueblo se prepara para celebrar su fiesta mayor, Blanca se esmera en que la primera paella que hace en su vida le quede perfecta. Ha conseguido reunir a sus amigos de toda la vida después de años sin verse. Todos están en la treintena y sienten que la juventud se les escapa, atrapados en la precariedad laboral, el desencanto y un continuo volver a empezar. La paella se alarga hasta el anochecer, entre revelaciones de secretos, reproches y equívocos. Pero ahora más que nunca, los cinco amigos se necesitarán unos a otros para salir adelante. (Filmmax)

While the village is getting ready for its annual party, Blanca is going to a lot of effort to make sure that her first ever paella comes out just perfectly. She's finally managed to organize a get-together with all her old friends, who she hasn't seen in years. They're all in their thirties now and have the feeling that their youth is slipping away from them. As they struggle to find job security, the feeling of constantly having to start all over again is finally starting to take its toll.

The lunch party goes on into the night, as secrets and past mistakes are revealed and hard feelings come out of the woodwork. But now, more than ever, the five friends need each other if they're going to find a way to navigate their chaotic lives. (Filmmax International)
