Una organización religiosa emprende un experimento científico para probar la existencia de Dios. Para ello seleccionan a Orión y Adán, dos iluminados obsesionados con las señales.

Confinados en una cápsula y aislados del mundo exterior intentarán establecer un contacto divino a través de sus singulares rituales. Todo empezará a torcerse cuando Orión descubra el secreto de Adán.

A religious organisation creates a scientific experiment to prove the existence of God. The chosen test subjects are Orión and Adán, two enlightened oddballs obsessed with signals. Confined in an experimental capsule and isolated from the outside world they try to establish contact with the divine through their own rituals. Everything starts to go wrong when Orión finds the secret Adán has been hiding. (Chicken Films)
