Ante los problemas para encontrar trabajo y liado por su hermano Fermín, Javi se hace pasar por discapacitado para conseguir un puesto que necesita desesperadamente. Pero fingir parálisis cerebral es más complicado de lo que parece, sobre todo, cuando se enamora de su jefa. (Fuente: The Walt Disney Company Iberia)

Javi, an inventor who invested all his money (and his parents') in a prototype that was supposed to make him a millionaire, watches his dream turn into a disaster. Following his brother's terrible advice, he pretends to have cerebral palsy to get a job that will help him pay off his debts. Things get even more complicated when he falls in love with his boss. Trapped in his web of lies, Javi faces the risk of losing his job, and the love of his life, along with the possibility of facing legal consequences. (Latido Films)

A Javi se le complica la vida cuando descubre que el diseño de robot en el que lo ha invertido todo tiene un gran fallo: en su diseño no ha pensado en las personas con discapacidad. Hundido, decide buscar trabajo, pero en todos los procesos de selección le rechazan y terminan contratando a personas con discapacidad. Empujado por el caradura de su hermano Fermín, decide entonces hacer separar por discapacitado. Lo que no sabe es que esta decisión, además de meterle en un sinfín de problemas, le servirá para conocer al amor de su vida. ¿Cuánto tiempo
