La música y la palabra de Javier Ruibal. Los lugares de su vida. Los rostros de sus acompañantes. Las voces de la calle que encuentran hueco en sus inquietudes. Lo conseguido y lo pendiente. Esto es lo que quiere contar Ruibal, por libre.

A portrait of Javier Ruibal, the legendary singer, composer and guitarist from Cadiz. 35 years of a career that start from a self-portrait of the author and pick up fragments of the settings of his childhood and early youth, his first influences in El Puerto, Cadiz, Seville and Granada, declarations from those who had hailed him from his beginnings, the musicians who accompany him and the birth of his records, in a film which also shows his commitments to society.
