Santi lo está pasando mal. No solo ha estado desempleado durante mucho tiempo, sino que su esposa, Maite, acaba de solicitar el divorcio. Para colmo, Santi sospecha que Maite está interesada en su jefe en el supermercado donde trabaja, Mario, un hombre guapo con dinero, que está tratando de seducirla. Desesperado y sin saber qué hacer, Santi compra un boleto de lotería, convencido de que su pobreza es la fuente de todos sus problemas ... ¡Y gana 20 millones de euros! De un día para otro, la vida de Santi cambia. Pero su asesor financiero recomienda que no se lo diga a su esposa hasta que finalice el divorcio, de esa manera no tendrá que compartir lo ganado con ella, ni con sus amigos, ni con nadie.

Santi is having a rough time of it. Not only has he been unemployed for a long time, but his wife, Maite, has just filed for divorce. To top it all off, Santi suspects that Maite is interested in her boss at the supermarket where she works, Mario, a handsome man with money, who's trying to seduce her. Desperate and unsure what to do, Santi buys a lottery ticket, convinced that his poverty is the source of all his problems... And wins 20 million euros! From one day to the next Santi's life changes: suddenly he has an absolute fortune! But his financial advisor recommends he doesn't tell his wife until their divorce is finalised, that way he won't have to share his win with her, or his friends, or anyone!
