Hace años que Paula se acostumbró a las palizas de su padre, un individuo machista y borracho.

Ahora el principal apoyo de Paula es su amiga Clara, una niña de su misma edad a la que la une algo más que la afición por coleccionar relojes abandonados.

For years Paula has been battered by her father, a macho and drunk man. Now Paula's main support is her friend Clara, a girl of the same age who joins her the fondness for collecting abandoned watches.
