Varias fotografías reciben el encargo de hacer un proyecto propio a partir de una fotografía de la obra de Eulalia de Abaitua, considerada primera fotógrafa vasca y vizcaína y pionera en el Bilbao de 1900, estableciendo un diálogo con su obra y con la vida de la autora y descubriendo que ésta está ligada en cierta manera a la suya.

Several photographers are commissioned to make their own project based on a photograph of the work of Eulalia de Abaitua, considered the first Basque and Biscayan photographer and a pioneer in Bilbao in 1900, establishing a dialogue with her work and with the life of the author and discovering that it is linked in a certain way to yours.
