El Espárrago Rock fue más que un festival, fue un latido generacional. En este documental, el cofundador Antonio Rodríguez y la periodista Sagrario Luna reviven su esencia a través de recuerdos, anécdotas y la nostalgia de un evento que aún resuena en la memoria colectiva.

Espárrago Rock was more than just a festival — it was a generational heartbeat. In this documentary, co-founder Antonio Rodríguez and journalist Sagrario Luna revisit its essence through memories, stories, and the nostalgia of an event that still echoes in the collective memory.
