La retirada del general Franco de su mausoleo fue un hecho histórico. Dirigido por Javier Rioyo, este documental, rodado al mismo tiempo en que el dictador era sacado de su tumba, es el testimonio definitivo sobre la lóbrega historia del Valle de los Caídos.

General Franco's removal from his mausoleum was a historic event. Directed by Javier Rioyo, this documentary, shot at the same time the dictator was removed from his grave, is the definitive testimony about the gloomy history of the Valley of the Fallen. A monument that still divides millions of Spaniards.
