Tres mujeres se reúnen cada jueves para dar un paseo matinal antes de acudir a sus puestos de trabajo. Es una ocasión para contarse lo que les sucede, lo que les preocupa. A pesar de las diferencias y desencuentros, hay algo que une a estas protagonistas: la edad y el peso que sienten al saber que han recorrido ya la mitad de sus vidas. Les une la triste sensación de que el paso de los años las ha desplazado de su lugar para arrinconarlas en un espacio en el que se sienten desubicadas y casi perdidas.

Every Thursday morning, Elsa, Julia and Amelia meet up to go for a walk before work. It is a time for them to catch up and talk about their concerns. Despite their differences and disagreements, there is something that bonds them: the age and burden they feel, knowing they are halfway through their lives. The sad feeling that the passing of time has pulled them out of their proper places and cornered them into a space where they feel disoriented, almost lost.
