Emilio es un tipo anodino con una vida anodina. Sólo disfruta haciendo monólogos como cómico amateur sobre el escenario del mismo local en que comenzó tiempo atrás. Pero, a sus 40 años, su sueño de triunfar como cómico no se ha cumplido. A diferencia de Carla, que es una cómica famosa con su propio programa de televisión. Una noche, Emilio le pinta a Carla unos bigotes en uno de los carteles que anuncian su programa. Unas noches después, Carla se presenta en el local donde actúa Emilio. (Fuente: ECAM)

Emilio is a dull guy with a dull life. He only enjoys doing monologues as an amateur comedian on the stage of the same place where he started some time ago. But, at 40 years old, his dream of making it as a comedian has not come true. Unlike Carla, who is a famous comedian with her own TV show.

One night, Emilio paints Carla some mustaches on one of the posters advertising her show. A few nights later, Carla shows up at the place where Emilio is performing. (Source: ECAM)
