Una pareja se van de escapada. Van a la playa, pero por el camino llueve.

Descubrimos que, si bien son pareja, son amantes. Descubrimos que él se aburre y que ella no sabe por qué está con él. Descubrimos que esta historia se está terminando ante nuestros ojos y que ella está embarazada y que piensa tenerlo, pese a la ruptura.

1980. A pleasure trip to the north by car. A couple who loves each other. Good weather forecast. What could go wrong? For example, absolutely everything. From this day on, the lives of the protagonists will change completely. (Yaq)
