Santí Serracamps tiene un don: es capaz de comunicarse con los animales. Considerado uno de los mejores domadores del mundo, a través de la doma?en libertad? logra establecer vínculos con sus caballos creando fuertes lazos de amistad. En un viaje a Marruecos descubre a Mabrouk, un caballo malherido al que decide rescatar. (Beta Fiction)

Santí Serracamps has a gift: he is able to communicate with animals. Considered one of the best animal tamers in the world, through natural horsemanship, he manages to establish connections with his horses, creating strong bonds of friendship. During a trip to Morocco, he discovers Mabrouk, a severely injured horse whom he decides to rescue. (Nostromo Pictures)
