Una lejana colonia espacial en la que Olivia y su colega Arlo están a cargo de la sala de control de la colonia, velando por la seguridad y el bienestar de la comunidad. Pero la colonia se ve asediada por criaturas alienígenas.

Olivia lives in a Space Colony far from Earth together with her partner and his daughter. She is in charge of the controls and the security of citizens in the Control Room together with Arlo, her colleague. When they are attacked by some non-human creatures, her cold and calculated reaction, always adhering to the protocols, will not be seen with good eyes by Arlo and some of the citizens. Olivia will realize that her mission is to save the people she loves, making the Colony a safe place.
